"THE WAY WE WERE..... "MAXIN ..."

PRINCIPAL'S MESSAGE ...

MR. E. MICHAELSON

Dear Eighth Grades:

Each class that graduates from Maxson Middle School carries with it a uniqueness that no other class possesses. This yearbook reflects that uniqueness through pictures and words.

Today this yearbook presents the opportunity for each of you to imprint on pictures and pages a portrait of who you are. Several years from now when you look through this yearbook the pictures of old friends and the episodic adventures that crisscross each of your lives will be rekindled and once again enjoyed.

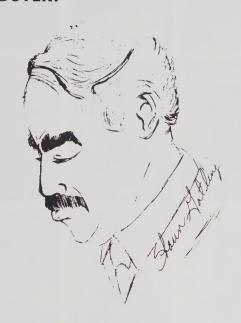

As in life, a yearbook allows you to reflect upon the past thereby making the present and future a more meaningful experience. I hope you enjoy the memories stamped upon these pages for many years.

CONGRATULATIONS TO THE CLASS OF 1996!

Edward Michaelson Principal

Magnificent, Alluring and eXcellent described our vice principal, Mr. Foster. We will never forget his patience, friendship, rust and encouragement. Although, we were "naughty by nature" the always made us feel that "EVERYTHING WILL BE ALRIGHT!" THANKS MR. FOSTER!

MAX — packed action prevailed! Mr. Gunnell, our coach, gave our boys the "GUN" technique, which led to the loss of only one game. Falcons met their match with Soehl Junior High of Linden with a tight score of 62-60.

Nevertheless, Falcon spirit and determination kept their games alive with action and challenge.
